Welcome  
to

# ABOUT US

Comsol Marketing has been formed with a vision to tap the tremendous potential of the global market & Youth. Comsol Marketing aspires to tap this global opportunity and help the people of our country to develop their businesses without any boundaries. Comsol Marketing is Direct Selling Company with the basic idea of educating and training the common people to cope-up with the ever changing Technology world and to create self employment opportunities.

# MISSION

To contribute significantly to building a new India and become a reliable network marketing company. Our Aims is to create honorable, smart and rewarding life style for our distributor's and their family.

And to generate employment among those educated unemployed youths, so they can live a life with liberty and dignity.

There are lots of fire mishaps occur in our country. We have a good number of youths working in Comsol Marketing who are well trained in fire extinguishing, we conduct awareness campaign on fire mishaps. We are also looking forward in the field of disaster management programme in coming days.

# VISION

To organise by contributing knowledge and providing skill development programme significantly for building the new India of our own and to become world's most valuable company with its own status. Transparency, Honesty, Professionalism, excellence, dedication & skills sets development.
